Mr. Dimitris Markopoulos

**RE: 2024 Award of Honor: Bachelor of Science in  
Applied Mathematics and Statistics and Outstanding AMS TA**

Dear Mr. Markopoulos,

The Applied Mathematics and Statistics Department has selected you as one of our outstanding, academic undergraduate students recognizing your exceptional efforts and knowledge as an undergraduate student in the AMS major, as well as Outstanding Service as an AMS Teaching Assistant. We are saddened that we are unable to celebrate your achievement with you in person, but want you to fully understand how appreciative and proud we are to have had you as one of our students.

Please accept the enclosed certificate recognizing your excellence and hard work as one of the Department of Applied Mathematics and Statistics' top undergraduate students at Stony Brook University. We wish you all the best in your future endeavors, and again, congratulations on your outstanding, academic achievement.

Sincerely,

A handwritten signature in cursive script.
